About the Scheme

Could you offer a discount to carers?

Our directory of special offers will be widely promoted to unpaid family carers throughout Brent, it's a really great chance to promote your business/services to carers.

As well as reaching more customers, you will have the satisfaction of knowing that you are supporting community well-being.

The Brent Carers Discount Scheme will help carers to save money and do more. It will also help us to promote our services to carers who may not yet know about us.

Interested?

Just fill out the form overleaf and return by email or post. Once it is received we will call you to confirm your discount offer and register your details in the Carers Discount Scheme Directory. You will also receive a certificate acknowledging your business as Carer Friendly.

Conditions

The agreed discount will be offered to unpaid carers, on production of our approved Carers Emergency Card. The person being cared for does not need to be present.

We will only issue the card to verified and registered unpaid carers. Our registration process is rigorous to ensure we only support unpaid carers. To clarify, this does not include foster carers or people who work in care homes or domiciliary services.

We commit to promote your offer within the directory and to circulate this widely. We do not endorse the services advertised in the scheme. We may contact you from time to time for your feedback on the scheme.

To comply with the Data Protection Act, we will not pass your details to any other party. Please contact us if any offer details change so that the directory can be updated.

By signing this application form you are accepting these conditions.
